Fresquez, P.R., Aldon, E.F. (Albuquerque, NM, U.S.A.) and Lindemann, W.C. (Las Cruces, NM, U.S.A.)
Enzyme activities in reclaimed coal mine spoils and soils, 359

Froment, A. and Wildmann, B. (Liège, Belgium)
Landscape ecology and rural re-structuring in Belgium, 415

Gardner, P.D. (Haslett, MI, U.S.A.), Cortner, H.J. (Tucson, AZ, U.S.A.) and Widaman, K. (Riverside, CA, U.S.A.)
The risk perceptions and policy response toward wildland fire hazards by urban home-owners, 163

Gerschefske, Kitt, D.G. and Sabey, S.R. (Fort Collins, CO, U.S.A.)
Vegetative stabilization of retorted oil shale on a steep, south-facing slope in Northwestern Colorado, 497

Gibson, L., *see* Cats-Baril, W.L. and Gibson, L.

Goldsmith, F.B. (London, Gt. Britain)
Book review of *Planning for Nature Conservation* by R. Helliwell, 276

Goodey, B. (Oxford, Gt. Britain)
Book review of *People in Cities — the Urban Environment and its Effects* by E. Krupat, 86

Goulty, G.A. (Poole, Gt. Britain)
Camouflage painting of steel lattice transmission towers, with particular reference to England and Wales, 345

Green, B.H. and Marshall, I.C. (Wye, Gt. Britain)
An assessment of the role of golf courses in Kent, England, in protecting wildlife and landscapes, 143

Hall, D.L. (Pullman, WA, U.S.A.)
Reclamation planning for coal strip-mined lands in Montana, 45

Henry, J.A. and Dicks, S.E. (Gainsville, FL, U.S.A.)
Association of urban temperatures with land use and surface materials, 21

Herbert, E.J., *see* Kaplan, R. and Herbert, E.J.

Hills, P. (Hong Kong)
Environmental impact assessment and New Town planning in Hong Kong, 253

Hira, G.S. and Thind, H.S. (Ludhiana, India)
A plantation technique for salt-affected soils with shallow water table, 445

Homel, R. and Burns, A. (North Ryde, N.S.W., Australia)
Is this a good place to grow up in? Neighbourhood quality and children's evaluations, 101

Hull, R.B. (Parkville, Vic., Australia)
Book review of *Environmental Evaluation: Perception and Public Policy* by E.H. Zube, 173
Book review of *Foundations for Visual Project Analysis*, R.C. Smardon, J.F. Palmer and J.P. Felleman (Editors), 522

Jim, C.Y. (Hong Kong)
The status and prospects of urban trees in Hong Kong, 1

Johnston, R.S., *see* Chambers, J.C. et al.

Junghanns, D.A. (Bristol, Gt. Britain)
Conservation designation in the Somerset levels: a study of local attitudes, 451

Kaplan, R. (Ann Arbor, MI, U.S.A.) and Herbert, E.J. (Cairns, Qld., Australia)
Cultural and sub-cultural comparisons in preferences for natural settings, 281
Kunick, W. (Kassel, F.R.G.)
Woody vegetation in settlements, 57
Kvashny, A., *see* Trent, R.B. et al.
Levinska, J. (Cracow Branch, Poland)
The expansion of a heat island resulting from the develop-mment of a city, 219
Lindemann, W.C., *see* Fresquez, P.R. et al.
Macleod, J. (Montréal, Canada)
Book review of *Spon's Landscape Handbook*, D.Lovejoy and Partners (Editors), 525

Subject Index

Aesthetics
Evaluating landscape aesthetics: a multi-attribute utility approach, 463
Agricultural Land
Landscape ecology and rural re-structuring in Belgium, 415
The use of the agricultural land evaluation and site assessment system in the United States, 183
Alpine ecosystems
A comparison of soil and vegetation properties of seeded and naturally revegetated pyritic alpine spoil and reference sites, 507
Altamont
Altamont: public perceptions of a wind energy landscape, 379
Arid regions
Principles and methods of reclamation science: with case studies from the arid southwest (book review), 447
Assessment procedure
A procedure for assessing recreational carrying capacity of coastal resort areas, 331
Australia
Cultural and sub-cultural comparisons in preferences for natural settings, 281
Is this a good place to grow up in? Neighbourhood quality and children's evaluations, 99
Automated geographic information systems
The accuracy of map overlays: a reassessment, 427
Behaviour
Human behaviour (book review), 357
Belgium
Landscape ecology and rural re-structuring in Belgium, 415
Bioengineering
Bioengineering (book review), 521
Bird, diversity
Characteristics of urban woodlands affecting breeding bird diversity and abundance, 481
Board games
Planning games (book review), 87
Breeding birds
Characteristics of urban woodlands affecting breeding bird diversity and abundance, 481
Business district
Environmental correlates of evaluative appraisals of central business district scenes, 117
Camouflage
Camouflage painting of steel lattice transmission towers, with particular reference to England and Wales, 345
Carrying capacity
A procedure for assessing recreational carrying capacity of coastal resort areas, 331
Chemical soil properties
A comparison of soil and vegetation properties of seeded and naturally revegetated pyritic alpine spoil and reference sites, 507
Children
Is this a good place to grow up in? Neighbourhood quality and children's evaluations, 101
Cities
People in cities (book review), 86
The expansion of a heat island resulting from the development of a city, 219
Woody vegetation in settlements, 57
Coal
Reclamation planning for coal strip-mined lands in Montana, 45
Coal mine spoils
Enzyme activities in reclaimed coal mine spoils and soils, 359
Coastal resort areas
A procedure for assessing recreational carrying capacity of coastal resort areas, 331
Coastal resources
Classification of coastal resources: a Mediterranean case study, 399
Coastal towns
City waterfronts (book review), 355
Colliery spoil
Long-term prospects for farm grassland and woodland on reclaimed coal spoil sites, 131
The effect of nitrogen level and time of sowing on the establishment of white clover (*Trifolium repens*) on colliery spoil, 369
Computer-aided landscape planning
Computer-aided landscape planning: the medium is the message (short communication), 79
Conservation
An assessment of the role of golf courses in Kent, England, in protecting wildlife and landscapes, 143
Conservation designation in the Somerset levels: a study of local attitudes, 451
Nature conservation (book review), 276
Countryside management
Countryside management plans in Britain–a preliminary appraisal, 155
Cultural comparisons
Cultural and sub-cultural comparisons in preferences for natural settings, 281
Cultural ecology
Guidelines for landscape synthesis: some directions — old and new, 295
Cultural geography
Guidelines for landscape synthesis: some directions — old and new, 295
Decentralisation
Yugoslav experience in the decentralisation of urban and regional planning systems (short communication), 441
De-forestation
Fuel-wood consumption in the Hyderabad metropolitan area, 31
Derelict land
Woody vegetation in settlements, 57
Development
Environmental correlates of evaluative appraisals of cen-

tral business district scenes, 117
The history and use of purchase of development rights in the United States, 237
Easements
The history and use of purchase of development rights in the United States, 237
Ecological units
Suggested hierarchy of criteria for multi-scale ecosystem mapping, 313
Ecology
Landscape ecology and rural re-structuring in Belgium, 415
Over-population in Rwanda (book review), 85
Ecosystem disturbance
Ecosystem disturbancce (book review), 176
Ecosystem mapping
Suggested hierarchy of criteria for multi-scale ecosystem mapping, 313
Emotional quality
Environmental correlates of evaluative appraisals of central business district scenes, 117
Energy
Fuel-wood consumption in the Hyderabad metropolitan area, 31
England
An assessment of the role of gold courses in Kent, England, in protecting wildlife and landscapes, 143
Camouflage painting of steel lattice transmission towers, with particular reference to England and Wales, 345
Landscape changes in a parish in Essex, Eastern England, since 1838, 201
English towns (book review), 277
Environmental evaluation
Environmental evaluation (book review), 173
Environmental history
Guidelines for landscape synthesis: some directions — old and new, 295
Environmental impact assessment
Environmental impact assessment and New Town planning in Hong Kong, 253
Enviromentally sensitive area (ESA)
Conservation designation in the Somerset levels: a study of local attitudes, 451
Enzymes
Enzyme activities in reclaimed coal mine spoils and soils, 359
Eucalyptus
A plantation technique for salt-affected soils with shallow water table (Technical note), 445
Evaluation
Evaluating landscape aesthetics: a multi-attribute utility approach, 463
Environmental correlates of evaluative appraisals of central business district scenes, 117
Farm grassland
Long-term prospects for farm grassland and woodland on reclaimed coal spoil sites, 131
Farmland
Landscape changes in a parish in Essex, Eastern England, since 1838, 201
The history and use of purchase of development rights in the United States, 237
Field size
Landscape changes in a parish in Essex, Eastern England, since 1838, 201
Fire hazards
The risk perceptions and policy response toward wildland fire hazards by urban home-owners, 163
Flow diagrams
Assessing the impacts of policy: a framework and an application, 321
Forage
Forage and fuel production from salt-affected wasteland (book review), 177
Foreign tree species
Woody vegetation in settlements, 57
Forest
Public response to differences between visually distinguishable forest stands in a recreation area, 211
Fuel
Forage and fuel production from salt-affected wasteland (book review), 177
Fuel-wood consumption in the Hyderabad metropolitan area, 31
Geographic data
Computer-aided landscape planning: the medium is the message (short communication), 79
Germany
Woody vegetation in settlements, 57
Golf courses
An assessment of the role of gold courses in Kent, England, in protecting wildlife and landscapes, 143
Grassland
Long-term prospects for farm grassland and woodland on reclaimed coal spoil sites, 131
Grid-cell maps
Computer-aided landscape planning: the medium is the message (short communication), 79
Gt. Britain
Assessing the impacts of policy: a framework and an application, 321
Conservation designation in the Somerset levels; a study of local attitudes, 451
Countryside management plans in Britain — a preliminary appraisal, 155
Long-term prospects for farm grassland and woodland on reclaimed coal spoil sites, 131
Habitat loss
Landscape changes in a parish in Essex, Eastern England, since 1838, 201
Heat island
The expansion of a heat island resulting from the development of a city, 219
Heavy metal mines
A comparison of soil and vegetation properties of seeded and naturally revegetated pyritic alpine spoil and reference sites, 507
Hedgerows
Landscape changes in a parish in Essex, Eastern England, since 1838, 201

Herbage yield
The effect of nitrogen level and time of sowing on the establishment of white clover (*Trifolium repens*) on colliery spoil, 369
Home-owners
The risk perceptions and policy response toward wildland fire hazards by urban home-owners, 163
Hong Kong
Environmental impact assessment and New Town planning in Hong Kong, 253
The status and prospects of urban trees in Hong Kong, 1
Human behaviour
Human behaviour (book review), 357
Human carrying capacity
Human carrying capacity of rainforest (book review), 275
Impact assessment
Assessing the impacts of policy: a framework and an application, 321
India
Fuel-wood consumption in the Hyderabad metropolitan area, 31
Israel
Classification of coastal resources: a Mediterranean case study, 399
Land evaluation
The use of the agricultural land evaluation and site assessment system in the United States, 183
Landscape architecture
Landscape architecture (book review), 175
Landscape handbook,
Landscape handbook (book review), 523
Landscape synthesis
Guidelines for landscape synthesis: some directions — old and new, 295
Land use
Association of urban temperatues with land use and surface materials, 21
Land-use planning
Land-use planning (book review), 89
Local attitudes
Conservation designation in the Somerset levels: a study of local attitudes, 451
Maintenance
The status and prospects of urban trees in Hong Kong, 1
Management
Countryside management plants in Britain — a preliminary appraisal, 155
Suggested hierarchy of criteria for multi-scale ecosystem mapping, 313
Map errors
The accuracy of map overlays: a reassessment, 427
Map overlays
The accuracy of map overlays: a reassessment, 427
Mapping
Suggested hierarchy of criteria for multi-scale ecosystem mapping, 313
Matrices
Assessing the impacts of policy: a framework and an application, 321
Mediterranean
Classification of coastal resources: a Mediterranean case study, 399
Migration
Over-population in Rwanda (book review), 85
Mining
Reclamation planning for coal strip-mined lands in Montana, 45
Monitoring schemes
Assessing the impacts of policy: a framework and an application, 321
Multi-attribute utility model
Evaluating landscape aesthetics: a multi-attribute utility approach, 463
Natural settings
Cultural and sub-cultural comparisons in preferences for natural settings, 281
Neighbourhood quality
Is this a good place to grow up in? Neighbourhood quality and children's evaluations, 99
New Town planning
Environmental impact assessment and New Town planning in Hong Kong, 253
Nitrogen
A comparison of soil and vegetation properties of seeded and naturally revegetated pyritic alpine spoil and reference sites, 507
The effect of nitrogen level and time of sowing on the establishment of white clover (*Trifolium repens*) on colliery spoil, 369
Oil shale
Vegetative stabilization of retorted oil shale on a steep, south-facing slope in Northwestern Colorado, 497
Painting
Camouflage painting of steel lattice transmission towers, with particular reference to England and Wales, 345
Parish changes
Landscape changes in a parish in Essex, Eastern England, since 1838, 201
Perception
Cultural and sub-cultural comparisons in preferences for natural settings, 281
Photographic depictions
Presentation mode and question format artifacts in visual assessment research, 225
Physical soil properties
A comparison of soil and vegetation properties of seeded and naturally revegetated pyritic alpine spoil and reference sites, 507
Planning
The accuracy of map overlays: a reassessment, 427
Planning games
Planning games (book review), 87
Plantation technique
A plantation technique for salt-affected soils with shallow water table (technical note), 445
Planting

The status and prospects of urban trees in Hong Kong, 1
Poland
The expansion of a heat island resulting from the development of a city, 219
Policy appraisal
Assessing the impacts of policy: a framework and an application, 321
Pollution
Altamont: public perceptions of a wind energy landscape, 379
Post-war development
Yugoslav experience in the decentralisation of urban and regional planning systems (short communication), 441
Preference ratings
Cultural and sub-cultural comparisons in preferences for natural settings, 281
Presentation mode
Presentation mode and question format artifacts in visual assessment research, 225
Preservation
The history and use of purchase of development rights in the United States, 237
Public response
Altamont: public perceptions of a wind energy landscape, 379
Quality
Environmental impact assessment and New Town planning in Hong Kong, 253
Question format
Presentation mode and question format artifacts in visual assessment research, 225
Rainforest
Human carrying capacity of rainforest (book review), 275
Rain water harvesting
A plantation technique for salt-affected soils with shallow water table (technical note), 445
Rare species
An assessment of the role of golf courses in Kent, England, in protecting wildlife and landsccapes, 143
Reclamation
Long-term prospects for farm grassland and woodland on reclaimed coal spoil sites, 131
Enzyme activities in reclaimed coal mine spoils and soils, 359
Principles and methods of reclamation science: with case studies from the arid southwest (book review), 447
Recalmation planning for coal strip-mined lands in Montana, 45
Vegetative stabilization of retorted oil shale on a steep, south-facing slope in Northwestern Colorado, 497
Recreational carrying capacity
A procedure for assessing recreational carrying capacity of coastal resort areas, 331
Recreation area
Public response to differences between visually distinguishable forest stands in a recreation area, 211
Regional planning systems
Yugoslav experience in the decentralisation of urban and regional planning systems (short communication), 441
"Remembrement"
Landscape ecology and rural re-structuring in Belgium, 415
Resort areas
A procedure for assessing recreational carrying capacity of coastal resort areas, 331
Retorted oil shale
Vegetative stabilization of retorted oil shale on a steep, south-facing slope in Northwestern Colorado, 497
Revegetation
A comparison of soil and vegetation properties of seeded and naturally revegetated pyritic alpine spoil and reference sites, 507
Enzyme activities in reclaimed coal mine spoils and soils, 359
Rijnland
Rijnland (book review), 356
Risk
Is this a good place to grow up in? Neighbourhood quality and children's evaluations, 99
The risk perceptions and policy response toward wildland fire hazards by urban home-owners, 163
Rural areas
Countryside management plans in Britain — a preliminary appraisal, 155
Landscape ecology and rural re-structuring in Belgium, 415
Association of urban temperatures with land use and surface materials, 21
Rwanda
Over-population in Rwanda (book review), 85
Safety
Altamont: public perceptions of a wind energy landscape, 379
Salt effects
A plantation technique for salt-affected soils with shallow water table (technical note), 445
Forage and fuel production form salt-affected wasteland (book review), 177
Site assessment
The use of the agricultural land evaluation and site assessment system in the United States, 183
Presentation mode and question format artifacts in visual assessment research, 225
Somerset levels
Conservation designation in the Somerset levels: a study of local attitudes, 451
Sowing-time
The effect of nitrogen level and time of sowing on the establishment of white clover (*Trifolium repens*) on colliery spoil, 369
Strip-mined lands
Reclamation planning for coal strip-mined lands in Montana, 45
Sub-cultural comparisons
Cultural and sub-cultural comparisons in preferences for natural settings, 281
Suburbs
Is this a good place to grow up in? Neighbourhood quality and children's evaluations, 99

Suitability analysis
The use of the agricultural land evaluation and site assessment system in the United States, 183
Surface materials
Association of urban temperatures with land use and surface materials, 21
Survey and classification
Classification of coastal resources: a Mediterranean case study, 399
Temperatures
Association of urban temperatures with land use and surface materials, 21
Topsoiling
Enzyme activities in reclaimed coal mine spoils and soils, 359
Trails
Public response to differences between visually distinguishable forest stands in a recreation area, 211
Transmission towers
Camouflage painting of steel lattice transmission towers, with particular reference to England and Wales, 345
